ABOUT THE WORKSHOP

- LivingWorks ASIST is a 2-day in person workshop featuring powerful audiovisuals, discussions, and simulations.
- You'll learn how to recognize when someone may be thinking about suicide, and how to provide a skilled intervention and develop a safety plan with the person to connect them to further support.
- This workshop aims to increase your willingness, confidence, and capacity to provide suicide first aid.
- Knowledgeable, supportive trainers will guide you through this interactive workshop, ensuring a comfortable and safe learning environment.
- Widely used by professionals and the general public

COURSE REQUIREMENTS

- Participants must be able to attend both days of the workshop in entirety.
- This course is FREE with the support of grant funding.
