COMMUNITY
RESILIENCE INITIATIVE

The Community Resilience Initiative (CRI) has developed courses to teach parents, schools, medical professionals, mental health practitioners, and any community member interested in learning more about toxic stress and how individuals and communities build resilience across the lifespan.

CRI Course 1: Trauma-Informed

This 6-hour course covers NEAR Science (Neuroscience, Epigenetics, ACE Study, Resilience), Brain States, and ROLES strategies for individuals seeking a trauma-informed certification.

CRI Course 2: Trauma-Supportive

This 6-hour course covers the science of resiliency and shares promising strategies to build culturally and contextually resilient individuals and communities.
